WE MAINLY HIRE VETERANS!

**42%**

Growth rate consistently for the last 5 years.

### Key Differentiators

- Provide physical security to private facilities by ensuring the protection of high security areas, property, entryways, and personnel.
- Monitor, investigate and react to emergencies by responding to security violations, alarms, and other emergency situations.
- Monitored and authorized entrance and departure of employees, visitors, and other persons to guard against theft and maintain the security of premises while utilizing CCTV systems.
- Prevent unauthorized access to the facilities by verifying employee and visitor credentials.
- Collect, investigate, and analyze data to assist with the development of informative reports, daily occurrence logs.
- Ensure compliance with contract requirements by establishing and maintaining working relationships with federal, state, and local law enforcement personnel, Property Managers, Building Managers, Agency Technical Representatives, Security Officers, Designated Officials, and Project Managers.
- Coordinated and analyzed the job training for new officers geared toward the specific needs, standards, procedures, rules and regulations of the facility.
